

Forest Education Business Partnership

Our Vision –

That we learn and work together as a community, creating sustainable partnerships.

Our Mission –

To unite education and business, in mutual collaboration, for the benefit of the whole community.

The partnership's activities are aimed at increasing the motivation and capability of young people and adults, while giving them greater understanding of industries needs and services and vice versa.

**Just some of the educational
organisations united in mutual
businesses collaboration and
collaboration, for the benefit
of the whole community.**

The Activity

- ▶ Each group makes three visits to business in a local industrial estate.
- ▶ Each group has a facilitator.
- ▶ They have to plan their route and ensure they arrive on time.
- ▶ They have to plan the questions they are going to ask.
- ▶ They then prepare and give a presentation about their visits
